ORDER NO.

**SUBJECT:**

Docket No. 2019-242-T - Application of Professional Movers of Charleston, LLC for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier - Staff Presents for Commission Consideration Professional Movers of Charleston, LLC's Application for Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier.

**COMMISSION ACTION:**

The Applicant in this docket initially requested approval of a Class E certificate to move household goods with statewide authority. However, its notice was published in The Moultrie News, a publication which, according to the Affidavit of Publication, is a newspaper published in the city of Charleston, in Charleston County, South Carolina. Counsel for the Applicant has represented to the Commission that the Moultrie News is affiliated with the Charleston Post & Courier. I move that we find the Applicant fit, willing, and able. However, I believe and so move that the notice in the Moultrie News supports the granting of authority for household goods moves between points and places only within Charleston, Dorchester, and Berkeley Counties, consistent with the newspaper's apparent service area. Subsequent to the filing of the Application and prior to the hearing in this docket, the Applicant also published a notice in The State newspaper which specified a return date of December 11, 2019. If no objections or other comments are received by December 11, 2019, the Applicant may thereafter move before the Commission to have its territory expanded statewide without an additional hearing.
